WASHINGTON, D. C. 20505

Intelligence Community Staff

IC 75-2521

24 September 1975

MEMORANDUM FOR DISTRIBUTION

SUBJECT: Proposed SOPs for Handling of Critical Information

1. Our draft of a proposed set of procedures for the handling of critical information is attached. We plan to discuss it at the Operations Centers Conference (2/3 October).

2. The draft takes into account the existing regulations of the various agencies and departments concerned. But it also proposes revision of those current practices and procedures which seem in need of clarification or improvement. Ultimately, we hope that these SOPs will be considered by USIB and incorporated in the new DCID 7/1 as an annex. The revised draft of DCID 7/1, which was sent to you last week, makes allowance for such a procedure.
